MountainTop Data's TopFunnel Email Service

MountainTop Data's TopFunnel Email service is designed to keep you in front of your Top-of-Funnel audience an provide a weekly list feed that can be used in your in house sales and marketing.

You want to get in front of new prospects, but cold email campaigns are complicated to setup and run, and your ESP likely doesn't allow it.

By managing the delivery process and providing the targeted data we make it possible, and affordable, to reach prospects you would not otherwise with minimal time and energy input from your team. I'm sure you have questions, give us a call (818) 252-8140.

We provide:
- Targeted list. You don't need to buy list anymore.
- Campaign setup and management. We send campaigns on your behalf and handle all compliance and optimization.
- Regular lead files with complete contact information for all clicks and responses.

Delivery Pricing (Based on sending 4x per month for 6 months)

List Size	Emails per Month	Cost per Month
Up to 10k	40,000	$499
20k	80,000	$780
40k	160,000	$1,164.80
80k	320,000	$1,715.17
160k	640,000	$2,572.80

* There may be additional fees for special customizations.
- Email copywriting
- Custom domain setup (if you'd like us to send from a unique domain instead of one of ours)

All you need to do is provide the email creative (we can help with this as well) and help us identify your ideal target audience so we can pull the necessary contact information.

PS. We also add new contacts as they become available in our database for all ongoing campaigns assuring you are up to date with your audience as it changes.

MountainTop Data will not deliver emails to webmail addresses (@gmail.com, @yahoo.com, etc), contacts in Canada, contacts in the European Union, or any contacts previously identified by MountainTop Data as problematic for email delivery campaigns.
