

MountainTop Data's TopFunnel Email Service

MountainTop Data's TopFunnel Email service is designed to keep you in front of your Top-of-Funnel audience and provide a weekly list feed that can be safely used in your in-house sales and marketing.

You likely want to get in front of new prospects, but email campaigns to purchased can be complicated to setup and maintain, and your ESP likely doesn't allow it.

By managing the delivery process and providing the targeted data we can help reach new targeted prospects with minimal time and energy input from your team and create a regular flow of contacts for your internal sales and marketing activities.

Questions? Give us a call at (818) 252-8140 or email info@mountaintopdata.com.

We provide:

- Targeted list. You don't need to buy list anymore.
- Campaign setup and management. We send campaigns on your behalf and handle all compliance and optimization.
- Regular lead files with complete contact information for all clicks and responses.

Delivery Pricing (Based on sending 4x per month for 6 months)

List Size	Emails per Month	Cost per Month
Up to 10k	40,000	\$799
20k	80,000	\$1,399
40k	160,000	\$1,998

*For campaigns with a list of 20K or less the initial term must be paid for upfront, campaigns with more than 20k target contacts can be paid monthly.

Help us identify your ideal target audience and we handle the rest.

PS. We also add new contacts to your campaign as they become available in our database. This assures you are up to date with your audience as new decision makers join target companies.

MountainTop Data will not deliver emails to webmail addresses (@gmail.com, @yahoo.com, etc), contacts in Canada, contacts in the European Union, or any contacts previously identified by MountainTop Data as problematic for email delivery campaigns.
